Chicago

Sufjan Stevens

I fell in love again

All things go, all things go

Drove to Chicago

All things know, all things knowWe sold our clothes to the state

I don't mind, I don't mind

I made a lot of mistakes

In my mind, in my mindYou came to take us

All things go, all things go

To recreate us

All things grow, all things growWe had our mindset

All things know, all things know

You had to find it

All things go, all things go

I drove to New York

In a van with my friend

We slept in parking lots

I don't mind, I don't mindI was in love with the place

In my mind, in my mind

I made a lot of mistakes

In my mind, in my mindYou came to take us

All things go, all things go

To recreate us

All things grow, all things growWe had our mindset

All things know, all things know

You had to find it

All things go, all things go

If I was crying

In the van with my friend

It was for freedom

From myself and from the landI made a lot of mistakes

I made a lot of mistakes

I made a lot of mistakes

I made a lot of mistakesYou came to take us

All things go, all things go

To recreate us

All things grow, all things growWe had our mindset

All things know, all things know

You had to find it

All things go, all things goYou came to take us

All things go, all things go

To recreate us

All things grow, all things growWe had our mindset

(I made a lot of mistakes)
All things know, all things know
(I made a lot of mistakes) You had to find it
(I made a lot of mistakes)
All things go, all things go
(I made a lot of mistakes)
