

# One Last Time

## Scouting for Girls

I wanna hold you one last time  
I wanna hold you 'til you're mine()  
Two weeks since you're gone  
I don't know what went wrong  
I wish I could but I can't be without you  
I'm hunting up and down  
I'm giving you heavy thrill  
I never quit 'cus I can't be without you(1)  
If you go  
Don't go far  
I will find you wherever you are  
If you go  
Don't go far  
'Cause I'm falling like a star  
(  
Three weeks since you left  
I re-read all your texts  
Even the naughty ones from when we first met  
I'm telling all my friends  
That it's not if it's when  
I'm on the hunt and I will come get you(2)  
If you go  
Don't go far  
I will find you on my way back  
If you go  
Don't go far  
'Cause I'm falling like a star(Bridge x2)  
I wanna hold you one last time  
I wanna hold you 'til you're mine  
(  
Six weeks by myself  
And you're with someone else  
And it's twice as hard to be without you  
I won't accept the fact  
That you're not coming back  
And you can run but I will come hunt you()  
Eight weeks since you're gone  
And still I can't move on  
The day you left, the day that you possessed me  
I'm gonna get you back  
I'm gonna set my trap  
I can't go on if you go still without me

(It happened to me every time)(1)  
If you go  
Don't go far  
I will find you wherever you are  
If you go  
Don't go far  
'Cause I'm falling like a starFalling like a star  
Falling like a star  
Falling like a star  
(Wherever you are, wherever you are)  
(Wherever you are, wherever you are)  
Falling like a star  
(Wherever you are, wherever you are)  
(Wherever you are, wherever you are)  
Falling like a star(Bridge x2)  
I wanna hold you one last time  
I wanna hold you 'til you're mine(2)  
If you go  
Don't go far  
I will find you on my way back  
If you go  
Don't go far  
'Cause I'm falling like a starFalling like a star  
Falling like...
