

# Words Get In the Way

## Gloria Estefan & Miami Sound Machine

I realize you're seeing someone new  
I don't believe she knows you like I do  
Your temperamental moody side  
The one you always try to hide from me But I know when you have something on your mind  
You've been trying to tell me for the longest time  
And before you break my heart in two  
There's something I've been trying to say to you But the words get in the way  
There's so much I want to say  
But it's locked deep inside and if you look in my eyes  
We might fall in love again  
I won't even start to cry  
And before we say goodbye  
I tried to say "I love you"  
But the words got in the way Your heart has always been an open door  
But baby, I don't even know you any more  
And despite the fact it's hurting me  
I know the time has come to set you free But the words get in the way  
There's so much I want to say  
But it's locked deep inside and if you look in my eyes  
We might fall in love again  
I won't even start to cry  
And before we say goodbye  
I tried to say "I love you"  
But the words got in the way I'm trying to say "I love you"  
But the words get in the way
