

# Seahorse

Devendra Banhart

I'm high and I'm happy and I'm free  
I got my whole heart laid out right in front of me  
And I finally can see the way it's always been  
The need for peace starts from within So I leave my possessions to the wind  
And I'm done with ever wanting anything  
Well, I can die satisfied no desires do I hide  
Not today, not today, nor for the next one thousand lives I wanna be a little seahorse  
I wanna be a little seahorse  
A little seahorse  
I wanna be a little seahorse  
I wanna be a little seahorse  
I wanna be a little seahorse  
I wanna be a little seahorse I, I wanna see a little green man  
Oh, sleep with me now and then  
I, I wanna see a little green man  
Oh, sleep with me now and then A little green man  
Oh, sleep with me now and then Well, I'm scared of ever being born again  
If it's in this form again  
Well, I wanna know how, why, where and when  
And then and then  
I wanna see you be the bright night sky  
I wanna see you come back as the light  
I wanna see you be the bright night sky  
I wanna see you come back as the light, yeah
