Christmas Time Is Here

Brian McKnight

Well the snow is beginning to fall And the day of Thanksgiving has come and gone Silver bells begin to ring Hear little children sing Silent Night was never just a songStockings are hung by the chimney with care It's the most wonderful time of the year Ice cream castles in the sky There is happiness in their eyes 'Cause Christmas time is here Ring a ding-ding Wrapping presents Hearts reflect the fire's glow I have you underneath the mistletoe And all is fine Fall down like rain upon me Give me something I can feel So then I'll know Then I'll know this is for real Stockings are hung by the chimney with care It's the most wonderful time of the year Ice cream castles in the sky There is happiness in their eyes 'Cause Christmas time yes Christmas time ves Christmas time is here
