

Light It Up (feat. TOKiMONSTA)

ZHU

[Intro]

Always, stop

Always, stop[Verse]

(Always)

Light it up, don't stop

You got to keep it at my tempo

(Always)

Ride it up, don't stop

You know your body is a temple

(Always)

Light it up (light it up), don't stop

You got to keep it at my tempo

(Always)

Ride it up (ride it up), don't stop

You know your body is a temple

[Chorus]

Crush it, roll it, light it, smoke it

Pass it, puff it, hit it, hold it, smoke it

Break it down for me

Come and smoke a pound with me

Crush it, roll it, light it, smoke it

Pass it, puff it, hit it, hold it, smoke it

Break it down for me

Come and smoke a pound with me[Bridge]

Allways, allways

Allways, stop

Al-always, al-always

Al-always, al--, stop[Verse 2]

And the people come and go

[?]

[Chorus]

Crush it, roll it, light it, smoke it

Pass it, puff it, hit it, hold it, smoke it

Break it down for me

Come and smoke a pound with me

Crush it, roll it, light it, smoke it

Pass it, puff it, hit it, hold it, smoke it

Break it down for me

Come and smoke a pound with me[Outro]

Al-always, al-always

Al-always, al--, stop

Al-always, al-always

Al-always, al--, stop
