## Can I Be Him

## **James Arthur**

You walked into the room
And now my heart has been stolen
You took me back in time to when I was unbroken
Now you're all I want
And I knew it from the very first moment
Cause a light came on when I heard that song
And I want you to sing it againI swear that every word you sing

You wrote them for me

Like it was a private show

But I know you never saw me

When the lights come on and I'm on my own

Will you be there to sing it again

Could I be the one you talk about in all your stories

Can I be him

I heard there was somone but I know he don't deserve you If you were mine I'd never let anyone hurt you

I wanna dry those tears, kiss those lips

It's all that I've been thinking about

Cause a light came on when I heard that song

And I want you to sing it againI swear that every word you sing

You wrote them for me

Like it was a private show

But I know you never saw me

When the lights come on and I'm on my own

Will you be there to sing it again

Could I be the one you talk about in all your storiesCan I be the one

Can I be the one

Can I be the one

Oh, can I, can I be him

Want you sing it again

Oh, when you sing it again

Can I be him

Want you sing it again

Oh, when you sing it again

Can I be himI swear that every word you sing

You wrote them for me

Like it was a private show

But I know you never saw me

When the lights come on and I'm on my own

Will you be there, will you be there

Can I be the one you talk about in all your stories

Can I be him

Can I be him
Can I be him
Can I be him
Can I be him
