

# Desperation #5

Scott Weiland

Desperation #5,  
She takes a swim then takes a dive  
She takes a swing and she can hit  
Muddy water  
Dirty ditch  
Take a swim and walk with me  
Make a steal, the christmas tree  
Hold the water, hold my hand  
Takes it's time and time again  
Oh, there is no reason  
Time to go, oh there is  
No reason, play the show  
Oh there is no reason  
Desperation #5,  
She takes a swim then  
Takes a dive  
She tries to hold her, hold  
Her hand, then down the muddy  
Hand again...
