Crush (feat. Usher)

Yuna

You call me on a lazy afternoon Asking me what I'm up to Let's find something to do

Baby, I'd be down, down,

I see you arriving in your car

Jet black Mercedes, built in the 70sClassic like you and me I'll be coming down, dow

I feel a little rush

I think I've got a little crush on you

I hope it's not too much

But babe when I'm with you, I hear it

My heart singing

La, la, la, la, la, la, la-la

La, la, la, la, la, la, la-la

Honestly I shouldn't waste time no more

'Cause all these little boys you're chasing, did they break your heart?

I know you've been down, down,

I think I've got a little crush on you

I hope it's not too much

But girl when I'm with you, I hear it

My heart singing

La, la, la, la, la, la, la-la

La, la, la, la, la, la, la-la

I see you the same

I see it in the way that you behave around me

And I can't tell

What we have is different from anyone else

'Cause you stop doing what you're doing

When I call you come to me runningAnd I would do the same for you

So tell me that you feel it too

I feel a little rush

I think I've got a little crush on you

I hope it's not too much

But babe when I'm with you, I hear it

My heart singing

La, la, la, la, la, la, la-la

La, la, la, la, la, la, la-la

I think I've got a crush, babe (Crush on you too)

Feel a little rush, baby (I feel it too)
