

# Someday

Nina

Someday you're gonna realize  
One day you'll see this through my eyes  
By then I won't even be there  
I'll be happy somewhere even if I cared I know you don't really see my worth  
You think you're the last guy on earth  
Well I've got news for you  
I know that I'm not that strong  
But it won't take long, won't take long  
Cause, someday someone's gonna love me  
The way I wanted you to need me  
Someday someone's gonna take your place  
One day I'll forget about you  
You'll see I won't even miss you  
Someday, someday Right now I know you can't tell  
I'm down and I'm not doing well  
But one day these tears, they will all run dry  
I won't have to cry sweet goodbye Cause, someday someone's gonna love me  
The way I wanted you to need me  
Someday someone's gonna take your place  
Oh, one day I'll forget about you  
You'll see I won't even miss you  
Someday, I know someone's gonna be there  
Someday someone's gonna love me  
The way I wanted you to need me  
Someday someone's gonna take your place  
One day I'll forget about you  
You'll see I won't even miss you  
Someday, someday
