

# No Chains On Me

[Chris Tomlin](#)

This is the dream, a dream for the world to see You  
A dream for the world to know You, to love Your name  
Lift up a shout, lift up a cry to shake the  
ground

Shout and the walls are coming down  
Yeah, we're running after You  
Like a rolling stone, like a runaway train  
No turning back, no more yesterdays  
My heart is free, no chains on me  
God, You raise me up, up from the grave  
The cross before, I'm on my way  
My heart is free, no chains on me  
Now is the time, now is the time for freedom  
Abandoned by cold religion, my heart on fire  
We hear the sound, the sound of revival coming  
The sound of Your people rising  
Yeah, we're running after You  
The walls are coming down
