## **My Blue Eyed Jane**

## **Bob Dylan**

The sweetest girl in the world Is my blue-eyed Jane. We fell in love like turtledoves While the moon was shining down. I asked her then, I asked her when Wedding bells would ring. She said, "Oh, dear, it seems so queer That this could happen here."You are my little pal, And I never knew a sweeter gal, My little blue-eyed Jane, I love you so. And when the sun goes down And the shadow's creeping over town, Just meet me in the lane, My blue-eyed Jane. Janie dear, listen here, I've come to say farewell. The world is drear without you, dear, But now I cannot linger here. I'm going away this very day, Oh please, come go with me. I'll be sad and blue wanting you, Longing all day through.My little blue-eyed Jane, You'll always be the same sweet thing, I know you'll never change, I love you so. And when the sun goes down And the shadow's creeping over town, Then I'll come back again, My blue-eyed Jane. And when the sun goes down And the shadow's creeping over town, Then I'll come back again, My blue-eyed Jane. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
