

# Get Free

## Lana Del Rey

Finally  
I'm crossing the threshold  
From the ordinary world  
To the reveal of my heart  
Undoubtedly That will for certain  
Take the dead out of the sea  
And the darkness from the arts This is my commitment  
My modern manifesto  
I'm doin' it for all of us  
Who never got the chance For... and for... (shut up, shut up)  
And all my birds of paradise (shut up, shut up)  
Who never got to fly at night (shut up, shut up)  
'Cause they were caught up in the dance  
Sometimes it feels like I've got a war in my mind  
I want to get off, but I keep ridin' the ride  
I never really noticed that I had to decide To play someone's game or live my own life  
And now I do  
I wanna move  
Out of the black (out of the black)  
Into the blue (into the blue) Finally Gone is the burden  
Of the crowdin' way of bein'  
That comes from energies combined  
Like my part was I  
Was not discernin'  
And you, as we found out  
Were not in your right mind  
There's no more chasin' rainbows  
And hopin' for an end to them  
Their arches are illusions  
Solid at first glance  
But then you try to touch them (touch, touch)  
There's nothin' to hold on to (hold, hold)  
The colors used to lure you in (shut up, shut up)  
And put you in a trance (ah, ah, ah, yeah) Sometimes it feels like I've got a war in my mind  
I want to get off, but I keep ridin' the ride  
I never really noticed that I had to decide  
To play someone's game or live my own life  
And now I do  
I wanna move  
Out of the black (out of the black)  
Into the blue (into the blue)  
Out of the black (out of the black)

Into the blue (into the blue)  
Out of the black (out of the black)  
Into the blue (into the blue)
