

Two Weeks

Grizzly Bear

Save up all the days
A routine malaise
Just like yesterday
I told you I would stay Would you always?
Maybe sometimes?
Make it easy?
Take your time Think of all the ways
Momentary phase
Just like yesterday
I told you I would stay
Every time you try
Quarter half a mile
Just like yesterday
I told you I would stay Would you always?
Maybe sometimes?
Make it easy?
Take your time
Would you always?
Maybe sometimes?
Make it easy?
Take your time
Always
Sometimes
Easy
Time
