## When Love Takes Over (feat. Kelly Rowland)

## **David Guetta**

It's complicated It always is That's just the way it goes Feels like I've waited so long for this I wonder if it showsHead underwater Now I can't breathe It never felt so good 'Cause I can feel it coming over me I wouldn't stop it if I couldWhen love takes over, yeah You know you can't deny When love takes over, yeah 'Cause something's here tonight Give me a reason I gotta know Do you feel it too? Can't you see me here on overload And this time I blame you Looking out for you to hold my hand It feels like I could fall Now love me right like I know you can We could lose it allWhen love takes over, yeah You know you can't deny When love takes over, yeah 'Cause something's here tonightTonight, tonight, tonight, tonight, tonight, tonight Tonight, tonight, tonight, tonight, tonight Tonight, tonight, tonight, tonight, tonight, And I'll be loving you all the time, it's true 'Cause I wanna make it right with youWhen love takes over When love takes over Over, over, over, over, over Over, over, over, over, over When love takes over, yeah You know you can't deny When love takes over, yeah 'Cause something's here tonight Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
