

Scared of Love (feat. Ray BLK & Stefflon Don)

Rudimental

[Verse 1: Ray BLK]

I can see it in your eyes
You're locking out your mind
You wanna turn around and run
I wanna say this every time
When I'm wavey from the wine
But I always bite my tongue[Pre-Chorus: Ray BLK]
I know you been through some shit
What's love got to do with it?
It's okay, we've all been hurt before
You tell me, That's the lesson learned
You played with fire, you got burned
You got burned, yeah, you got burned

[Chorus: Ray BLK]

Don't be scared of love
Baby, you got some bruises like the rest of us
I got you, I got you
Don't be scared of love
Maybe you got some bruises, but when it gets too tough
I got you, I got you[Post-Chorus: Ray BLK]
Don't be scared
Don't be scared of love
Don't be scared of love
Don't be scared
Don't be scared

[Verse 2: Stefflon Don]

Even when you're down or when you're hopeless
I'll be there for you to make sure you're blessed
You ain't gotta ride for me, I'll ride for you (For you)
I don't even really want you to say
Too much 'cause I know the feeling of pain
I just wanna make sure that you stay cute (Oh, oh, oh)[Pre-Chorus: Stefflon Don]
'Cause in the early morning
You get stressed and don't come out
I'm right here, I'm fighting with you (Oh, oh, oh)
Dem couldn't ever walk in your shoes
Dem couldn't ever take your shine
So don't be scared of love (Ooh)[Chorus: Ray BLK]
Don't be scared of love
Baby, you got some bruises like the rest of us
I got you, I got you
Don't be scared of love

Maybe you got some bruises, but when it gets too tough
I got you, I got you[Post-Chorus: Ray BLK]
Don't be scared
Don't be scared of love
No, don't be scared of love (Don't be scared)
Said don't be scared
Don't be scared[Bridge: Ray BLK]
I got you and I know how you feel
Can see inside your head (Oh)
I got you and I know how you feel
Just call me and I'll be there (I got you)
I got you and I know how you feel (I got you)
Can see inside your head (I got you)
I got you and I know how you feel
Just call me and I'll be there[Chorus: Ray BLK]
Don't be scared of love
Baby, you got some bruises like the rest of us
I got you, I got you
Don't be scared of love
Maybe you got some bruises, but when it gets too tough
I got you, I got you[Post-Chorus: Ray BLK]
Don't be scared
Don't be scared (Don't be scared, don't be scared)
Said don't be scared of love (I got you, I got you)
Don't be scared
Don't be scared
