## **Trying to Stop Your Leaving**

## **Dierks Bentley**

Got a guitar, got a guitar on my back And I'm standin' on this lonesome railroad track Train's a-comin', it'll be here 'fore too long But I don't think I can stop it with a songGirl, that's kind of the way I'm feelin' Trying to stop your leavingGot a pebble, got a pebble in my hand And I toss it out into the middle of the Rio Grande But the river keeps runnin', don't even know that I'm around I could throw in a million more and not slow it down Girl, that's kind of the way I'm feelin' Trying to stop your leaving There's nothin' I wouldn't try If I thought it would change your mind But you don't love me, no, you don't love me anymore And I know as soon as you walk out that door Train's a-comin', river's runnin', train's a-comin', river's runnin' Pain's a-comin', tears are runnin'And that's kind of the way I'm feelin' Knowin' I couldn't stop your leaving Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
