

Last Train Home

Ryan Star

You haven't changed.
Stand in the light
I need to see you
uncover my eyes. The tears coming down
making lines on your face.
One for each year, now
that you've been away. We were only kids
we ran like water.
Your dad said
stay away from my daughter.
The sun was coming down when I said
can't you just believe?
And if you wait for me
I'll be the light in the dark if you lose your way.
And if you wait for me
I'll be your voice when you don't know what to say.
I'll be your shelter
I'll be your fate.
I'll be forever
wait for me. I'll be the last train
I'll be the last train home. You were a storm
it blew us away.
I wouldn't leave you
but you couldn't stay.
We were only kids
we ran like water.
Your dad said
stay away from my daughter.
The sun was coming down when I said
can't you just believe? And if you wait for me
I'll be the light in the dark if you lose your way.
And if you wait for me
I'll be your voice when you don't know what to say.
I'll be your shelter
I'll be your fate.
I'll be forever
wait for me. I'll be the last train
I'll be the last train home. We were only kids
we ran like water.
I told your dad
i love your daughter.
The sun was coming down when I said

can't you just believe? And if you wait for me
I'll be the light in the dark if you lose your way.
And if you wait for me
I'll be your voice when you don't know what to say.
I'll be your shelter
I'll be your fate.
I'll be forever
wait for me.
I'll be the last train
I'll be the last train.
Hold on to love
wait for me.
I'll be the last train
I'll be the last train home.
I'll be the last train
I'll be the last train home
