

God Control

Madonna

Everybody knows the damn truth
Our nation lied, and lost respect
When we wake up, what can we do? Get the kids ready
Take them to school
Everybody knows they don't have a chance
To get a decent job
To have a normal life
When they talk reforms, it makes me laugh
They pretend to help, it makes me laugh
I think I understand why people get a gun
I think I understand why we all give up
Every day they have a kind of victory
Loving ourselves, spread everywhere
They say that we need love
But we need more than this
We lost god control
We lost god control
We lost god control
We lost god control This is your wake-up call
I'm like your nightmare
I'm here to start your day
This is your wake-up call
We don't have to fall
A new democracy
God and pornography A new democracy
People think that I'm insane
The only gun is in my brain
Each new birth, it gives me hope
That's why I don't smoke that dope
Insane people think I am
Brain inside my only friend
Hope it gives me birth each new
That dope I don't smoke it's true Everybody knows the damn truth Everybody knows the damn
truth, wake up
We need to wake up, wake up, wake up, wake up
Wake up, wake up, wake up, wake up, wake up, wake up
We need to wake up, wake up, wake up, wake up
Wake up, wake up, wake up, wake up, wake up, wake up It's a hustle, yeah
It's a hustle
It's a con
It's a hustle
It's a weird kind of energy

A bizarre thing that happens to be
 An abnormal fraternity
 And I feel more than sympathy We got to wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up, wake up, wake up
 We need to wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up, wake up, wake up, wake up, wake up People think that I'm insane
 The only gun is in my brain
 Each new birth, it gives me hope
 That's why I don't smoke that dope
 Insane people think I am
 Brain inside my only friend
 Hope it gives me birth each new
 That dope I don't smoke it's true Everybody knows the damn truth Everybody knows the damn
 truth
 We need to wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up, wake up, wake up
 Wake up Ah (Ah), Ah (Ah) A new democracy! Everybody knows the damn truth
 Our nation lied, we've lost respect
 When we wake up, what can we do
 Get the kids ready
 Take them to school
 Everybody knows they don't have a chance
 Get a decent job
 Have a normal life
 When they talk reforms, it makes me laugh
 They pretend to help, it makes me laugh We lost god control
 We lost god control
 We lost god control
 We lost god control
 We lost god control Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
 Wake up, wake up, wake up, wake up
