

# Fall

## Justin Bieber

Well let me tell you a story  
About a girl and a boy  
He fell in love for his best friend  
When she's around, he feels nothing but joy  
But she was already broken And it made her blind  
But she could never believe that love would ever treat her right  
But did you know that I loved you?  
Or were you not aware? You're the smile on my face  
And I ain't going nowhere  
I'm here to make you happy  
I'm here to see you smile  
I've been wanting to tell you this for a long while  
Who's gonna make you fall in love  
I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all, oh my love But you can't fly unless you lets ya  
You can't fly unless you lets ya, so fall  
Well I can tell you're afraid of What this might do  
Cause we got such an amazing friendship  
And that you don't wanna lose Well I don't wanna lose it either  
And I don't think I can stay  
Sitting around while you're hurting babe, so take my hand  
Well did you know you're an angel? Who forgot how to fly  
Did you know that it breaks my heart  
Every time to see you cry  
Cause I know that it pains if he's gone  
Every time you don't know  
On the shoulder you're crying  
And I hope by the time that I'm done with this song I'll have figured out  
Who's gonna make you fall in love I know you got your wall wrapped all the way around your  
heart  
Don't have to be scared at all, oh my love  
But you can't fly unless you lets ya  
You can't fly unless you lets ya, so fall  
I will catch you if you fall I will catch you if you fall  
I will catch you if you fall  
But if you spread your wings You can fly away with me  
But you can't fly unless you lets ya  
You can't fly unless you lets ya, so fall Who's gonna make you fall in love  
I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all, oh my love But you can't fly unless you lets ya  
You can't fly unless you lets ya, so fall  
Who's gonna make you fall in love

I know you got your wall wrapped all the way around your heart  
Don't have to be scared at all, oh my love  
But you can't fly unless you lets ya  
You can't fly unless you lets ya, so fall  
I will catch you if you fall  
I will catch you if you fall  
I will catch you if you fall  
If you spread your wings  
You can fly away with me  
But you can't fly unless you lets ya  
Let yourself fall
