Come along Sally, let's have a break down!

Come along Sally, let's hit down town!

Come along Sally, let's have a drug run!

Come along Sally, let's go get a gun!

Drug boy loves the night.

Drug boy loves the night.

Drug boy loves the night.

Drug boy loves the night.

You're trying to help me, and all I'm thinking,

"It's just the biggest waste of time..."

Come along sally, 12 hours of acid.

Come along sally, lets dig up a casket.

Drug boy loves the night.

Drug boy loves the night.

Drug boy loves the night.

Drug boy loves the night.

You're trying to help me, and all I'm thinking, "It's just the biggest waste of time..."

You are trying to help me, and all I'm thinking, "It's just the biggest waste of time..."

Tonight these chemicals are god.

Tonight these chemicals are sunlight, golden sunlight.

Drug boy loves the night.

Drug boy loves the night.

Drug boy loves the night.

Drug boy loves the night.
