

Riley

The Corin Tucker Band

Heard the phone ring it's
Been awhile since I
heard from you, since
We hung out
Say hello dear,
How you been there

?

?

(Chorus)

Riley We're still around It's a
Long road we're going down
Riley what you've been through is rough
Just keep going don't let air get you down

? hung out could we
have some fun
? arches and we
Both begun
You've got a real gig and you've
settled down Now it
hurts to hear that you're

?

(Chorus)

for too long...
