King of Pain

The Police

There's a little black spot on the sun today It's the same old thing as yesterday

There's a black hat caught in a high tree top

There's a flag pole rag and the wind won't stopI have stood here before inside the pouring rain
With the world turning circles running 'round my brain

I guess I'm always hoping that you'll end this reign

But it's my destiny to be the king of painThere's a little black spot on the sun today

(That's my soul up there)

It's the same old thing as yesterday

(That's my soul up there)

There's a black hat caught in a high tree top

(That's my soul up there)

There's a flag pole rag and the wind won't stop

(That's my soul up there)

I have stood here before inside the pouring rain

With the world turning circles running 'round my brain

I guess I'm always hoping that you'll end this reign

But it's my destiny to be the king of painThere's a fossil that's trapped in a high cliff wall

(That's my soul up there)

There's a dead salmon frozen in a waterfall

(That's my soul up there)

There's a blue whale beached by a springtime's ebb

(That's my soul up there)

There's a butterfly trapped in a spider's web

(That's my soul up there)I've stood here before inside the pouring rain

With the world turning circles running 'round my brain

I guess I'm always hoping that you'll end this reign

But it's my destiny to be the king of pain

There's a king on a throne with his eyes torn out

There's a blind man looking for a shadow of doubt

There's a rich man sleeping on a golden bed

There's a skeleton choking on a crust of breadKing of pain...There's a red fox torn by a

huntsman's pack

(That's my soul up there)

There's a black-winged gull with a broken back

(That's my soul up there)There's a little black spot on the sun today

It's the same old thing as yesterdayI've stood here before inside the pouring rain

With the world turning circles running 'round my brain

I guess I'm always hoping that you'll end this reign

But it's my destiny to be the king of painKing of pain

King of pain

King of pain

I'll always be king of pain
I'll always be king of pain
I'll always be king of pain
I'll always be king of pain
I'll always be king of pain
