

Slightly Drunk

WARNING: These lyrics are unconfirmed and may be inaccurate. They represent the best attempt at deciphering the song we have yet to see. Slightly drunk once again

All alone with my pen
I thought I'd write to you
How can I say how I feel?
Falling down on a deal
This last night with you
Is it the cold that makes me shake?
I just hope that I'm awake
I say alright I knew
(I knew)
I was wrong you were right
(That's a line I cannot find)
I could not say goodbye
(to explain just why I lied)
Why's it always feel the same?
(slightly drunk what you said to me)
I'm in love once again
(can't fall in love without misery) I'm pretty sad but so what?
I should be glad but I'm not
I'm confused once more
All tangled up in your love
Without it now so that's tough
My heart cries for a little talk to anger me
Out on the road especially
Back to you once more
(once more)
Slightly drunk once again
All alone without friends
Had it all, I know I lied
All my ends seem untied
I cannot say how I feel
