

# I Love You 5

## Never Shout Never

I love you one, a two, a three shoo-be-doo.  
I love you four, that's more than I can afford.  
And I can tell someday that I'm gonna say the truth,  
I love you 5. I've been walkin' around tryin' to figure out,  
Why I am feelin' all these feelings that I'm feeling now.  
And I've got more on my mind than I have got on my plate. I love you one, a two, a three shoo-be-doo.

I love you four, that's more than I can afford.  
And I can tell someday that I'm gonna say the truth...  
I love you five times more than any boyfriend before,  
'Cause all they really cared about was whether you put out.  
And I truly believe (I truly believe)  
That this love could be (that this love) And I could count five times off the top of my head  
where I sucked it in

'Cause you were hangin' with him  
And I got something to say,  
I love you all the same. I love you one, a two, a three shoo-be-doo.  
I love you four, that's more than I can afford.  
And I can tell someday that I'm gonna say the truth.  
(Yeah)

I love you one, a two, a three shoo-be-doo.  
I love you four, that's more than I can afford.  
And I can tell someday that I'm gonna say the truth,  
I love you 5. (ba-ba-bada)  
I love you 5. (ba-ba-bada)  
I love you 5.
