

Fire & Rain

Birdy

Just yesterday morning they let me know that you were gone
Susanne, the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to Well, I've seen fire and I've seen rain
Seen sunny days that I thought would never end
Seen lonely times when I could not find a friend
But I always thought that I'd see you again Won't you look down upon me, Jesus?
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
And I won't make it any other way
Well, I've seen fire and I've seen rain
Seen sunny days that I thought would never end
Seen lonely times when I could not find a friend
But I always thought that I'd see you again I've been walking my mind to an easy time
My back turned towards the sun
Lord knows when the cold wind blows
It'll turn your head around Well, there's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines
In pieces on the ground
Well, I've seen fire and I've seen rain
Seen sunny days that I thought would never end
Seen lonely times when I could not find a friend
But I always thought that I'd see you again
Yes, I always thought that I'd see you again
