Level Up

Ciara

Five, four, three, two, one
Leggo! (watch me)
Level up, level up, level up, level up
Level up, level up, level up, level up
All this on me so yummy, all this sauce so yummy
Know you want this yummy, yummy all in your tummy
Level up, level up, level up, level up
Level up, level up, level up, level up
All this on me so yummy, all this sauce so yummy

Know you want this yummy, yummy all in your tummyThem old mistakes are gone, I won't do them no more

That's old news, there's new news, I done did that before
I turned nothing to something, my comeback on one hunnid'
Less talking, more action, you just gon' see Ci coming
I just keep elevating, no losses, just upgrading
My lessons, made blessings, I turned that into money
Thank God I never settled, this view is so much better
I'm chilling, I'm winning, like on another level
Oh, you can talk all you want
See me, I stayed prayed up
Nothing I'm afraid of

And I can have it allFive, four, three, two, one Leggo! (watch me)

Level up, level up, level up, level up Level up, level up, level up, level up

All this on me so yummy, all this sauce so yummy Know you want this yummy, yummy all in your tummy

Level up, level up, level up, level up Level up, level up, level up, level up

All this on me so yummy, all this sauce so yummy

Know you want this yummy, yummy all in your tummy

Fake friends get dropped like weight

Team love, don't want no hate (nope)

I'm grindin', I'm shinin'

Up, up, up on my way

Thank God I never settled

This view is so much better

I'm chilling, I'm winning

Like on another levelOh, you can talk all you want

See me, I stayed prayed up

Nothing I'm afraid of

And I can have it allFive, four, three, two, one

Leggo! (watch me)

Level up, level up, level up, level up

Level up, level up, level up, level up

All this on me so yummy, all this sauce so yummy

Know you want this yummy, yummy all in your tummyLevel up, level up, level up, level up, level up, level up

Level up, level up, level up, level up

All this on me so yummy, all this sauce so yummy

Know you want this yummy, yummy all in your tummyAll this oh so level, on another level

Elevate your level, le-le-level

Graduate your level, there's no one on it

Nah, nah, nah (ay)All this oh so level, on another level

Elevate your level, le-le-level

Graduate your level, there's no one on it

Nah, nah, nah (ay)Level up, level up, level up, level up

Level up, level up, level up, level up

All this on me so yummy, all this sauce so yummy

Know you want this yummy, yummy all in your tummy

Know you want this yummy, yummy all in your tummy (uh!)
