Who Were You With in the Moonlight

Dollar

Who were you with in the moonlight Who was it holding you so tight Who were you with my love RepeatMaking me so sad Making me so sad (so so sad) Making me so sadYou say you don't belong to me I can't help feeling you're mine I wanna feel you close to me baby You say you aint got the time Why are you hurting me baby Why do you treat me so bad You're just a run-around lover Though I gave you everything I had Yes I gave you everything I had Who were you with in the moonlight Who was it holding you so tight Who were you with my love RepeatWho were you with in the moonlight Who was it holding you so tight Who were you with in the moonlight baby Making me so sad (making me sad) Making me so sad (so so sad) Making me so sadThough I gave you everything I had Yes I gave you everything I had Who were you with in the moonlight Who was it holding you so tight Who were you with who were you with Who were you with in the moonlight Who was it holding you so tight Who were you with in the moonlight baby Who were you with in the moonlight Who was it holding you so tight Who were you with my loveMaking me so sad Making me so sad Making me so sadWho were you with in the moonlight Who was it holding you so tight Who were you with in the moonlight Who was it holding you so tight Who were you with in the moonlight baby Who were you with in the moonlight Who was it holding you so tight
