

Hotel Nacional

Gloria Estefan

It's time for Hoochie CoochieHotel Nacional
Dress, very chic
One, two, daiquiris
Dancin' to the Cuban beat
White pearls, teased up hair
Lipstick's red, to make 'em stare
Drama's on like Susan Lucci
It's time for Hoochie Coochie
Say goodnight to the sunlight
We own the nighttime, yeah
Say goodbye to the sunlight
We own the nighttime, yeahTwo-toned shoes, favorite dress
Need no diamonds to impress
Red and white coupe Chevrolet
Paparazzi flash away
I'm feeling VIP
It's the only way to be
Going for gold like Yamaguchi
It's time for Hoochie CoochieSay goodnight to the sunlight
We own the nighttime, yeah
Say goodbye to the sunlight
We own the nighttime, yeah
Champagne, caviar, no wedding mess
You and me, no need to guess
So many nights to share
Official love affair
Voilà we're in Paris
Oui, Je t'aime, ça c'est la vie
Think "Last Tango", Bertolucci
It's time for Hoochie CoochieOui, Je t'aime, ça c'est la vie
Oui, Je t'aime, ça c'est la vie
Oui, Je t'aime, ça c'est la vie
Voilà
