## I Want to Know What Love Is

## **Tom Cruise & Malin Akerman**

I gotta take a little time
A little time to think things over
I better read between the lines

In case I need it when I'm olderIn my life there's been heartache and pain

I don't know if I can face it again

Can't stop now, I've traveled so far

To change this lonely lifeI wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

I'm gonna take a little time

A little time to look around meI've got nowhere left to hide It looks like love has finally found meIn my life there's been heartache and pain

I don't know if I can face it again

I can't stop now, I've traveled so far

to change this lonely lifeLet's talk about love

I wanna know what love is

The love that you feel inside

I want you to show me

And I'm feeling so much love

I wanna feel what love is

No, you just cannot hide

I know you can show me

Yeah

I wanna know what love is

Let's talk about love

I want you to show me

I wanna feel it too

I wanna feel what love is

I want to feel it too

And I know, and I know, and I know, and I know
