

a beautiful exit

Miguel

News Reporter:] We begin with breaking news here at 5 O' clock of...Don't ever sell yourself
short, sell your sad things
Accept the new, don't mingle on the past
Believe yourself, trust your intuition
You're here for a reason, you knowSpeeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young
Speeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young
Ignore the planned conventions of society
The muted world, doesn't dream in colors
No fear, no shame, wildhearts can't be broken
You're here for a reason, you knowSpeeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young
Speeding through all of these red lights, fast life
Dreaming a beautiful exit
We're gonna die young, we're gonna die young
We're gonna die young, we're gonna die young
We're gonna die young
All our problems were so extra small to astronauts
You can ditch the tangled patterns known by your parents
Sleep make me your only chance to rule yourself
You're here for a reason, you knowGonna continue, really has no other choice but to just keep
riding
