

# Attack

## Thirty Seconds to Mars

I won't suffer, be broken, get tired, or wasted  
Surrender to nothing, or give up what I  
Started and stopped it, from end to beginning  
A new day is coming, and I am finally freeRun away, run away, I'll attack  
Run away, run away, go chase yourself  
Run away, run away now, I'll attack  
I'll attack, I'll attackI would've kept you forever, but we had to sever  
It ended for both of us, faster than a  
Kill off this thinking, it's starting to sink inI'm losing control now, but without you I can finally  
see  
Run away, run away, I'll attack  
Run away, run away, go chase yourself  
Run away, run away now, I'll attackI'll attack, I'll ... woah  
Your promises, they look like liesYour honesty, like a back that hides a knife  
I promise you (promise you), I promise you (promise you)  
That I am finally free  
Run away, run away, I'll attack  
Run away, run away, go chase yourself  
Run away, run away now, I'll attack  
I'll attack, I'll attack, I will attack  
Yeah I will attack  
Run away, I'll attack, I will attack  
Run away, I'll attack, I will attack  
Run away (I'll attack), run away now, I'll attack  
I'll attack, I'll ... woah  
Your promises  
I promise you  
I promise you
