

Animal Army

Babylon Zoo

Tyrannosaurus marches before us
Lions laugh at the smell of a gun
Ride on the back of an elephant's shoulders
Tell all your friends you're an angel
Animals dance along, animals Tyrannosaurus marching towards us
Lions a mass coming out of the grass
Ride on the back of an elephant's shoulders
Tell all your friends your an angel
An angel, an angel
Leopards dancing, leopards dancing in my paradise
Animal armies, animal armies in my Tyrannosaurus marching towards us
Lions a mass coming out of the grass
Ride on the back of an elephant's shoulders
Tell all your friends your an angel
An angel, an angel Leopards dancing
(Leopards dancing)
In my paradise
Tigers dancing
(Tigers dancing)
In my paradise Chrome and candy
(Chrome and candy)
In my paradise
Animal armies, animal armies in my
Leopards dancing, leopards dancing, in my, in my, paradise
(Paradise)
Tigers dancing, tigers dancing, in my, in my, paradise
(Paradise)

(Paradise)
Animal armies, animal armies in my Paradise
