## Sundial

## Wolfmother

In time, you will find Many things found in the ordinary Could it be, what you see Many things are extraordinaryEvery time when I look at you Well I seem to find another thing behind the story Every time when I look at you Well I seem to find another dream behind the gloryAnd now it seems no time at all The sundial wonders How could you see nothing at all? The sundial wonders on Took a walk in the park Walkin' all around in the after hour Sometimes beneath the light To take away all your love and powerEvery time when I look into Well I seem to find another scene behind the story Every time when she looks at you Well I seem to find another dream behind the glory And now it seems no time at all The sundial wonders How could you see nothing at all? The sundial wonders on And now it seems no time at all The sundial wonders on Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
