

Saving All My Sinning

Lake Street Dive

I know you know me as the girl who's always alone
I know you never see me take anybody home
I know you never seen me cry
Never seen me say goodbye
Now we're kissing on the sly
But I don't think you know what I feel inside
Can't you see this is only the beginning?
I'm a good girl but I'm saving all my sinning
For you
And now there's nothing that we can't do
I've been a good girl for so long
I deserve to do something wrong
I see you looking at me like I'm a child
Like a virtuous angel to be defiled
Everybody wants to be the guy
Who takes the angel from the sky
You know I'd like to see you try
But I don't think you know what I feel inside
Can't you see this is only the beginning?
I'm a good girl but I'm saving all my sinning
For you
And now there's nothing that we can't do
I've been a good girl for so long
I deserve to do something wrong
