

Some How Some Way (feat. Beanie Sigel & Scarface)

JAY-Z

[Hook-Jay-Z]

Please believe that...

"Some How Some Way" we gotta make it up out the hood Some Day.
"Some How Some Way" we gotta make it up out this life. {Come on}
"Some How Some Way" we gotta make it up out the hood Some Day...

Some Way we gotta make it up out this life.[Jay-Z]

Whether we dribble out this mothaf**ka,
rap metaphors, & riddle out this mothaf**ka,
work 2nd floors, hospital out this maf**ka,

Some How we gotta get up out this mothaf**ka.

Some Day the cops kill a maf**ka,

I don't always wanna be this drug dealin' maf**ka d**n...

wish I could take us all

on this magic carpet ride through the sky, I...

used to play the hall up 5th floor

me & my boys we all poor gettin' high, I...

see the worse at a worse

I deserve every blessin', I received I'm from the dirt, I...

planted my seed on unfertile land

Myrtle Park Marcy, Flushing & Nostrand, and...

still I grew

Some How I knew dat the sun'll shine through, and...

touch my soul,

take hold of my hand,

look man a tree grows in Brooklyn.

[Hook-Jay-Z]

"Some How Some Way" I gotta make it up the hood Some Day.

"Some How Some Way" I gotta make it up out this life...{Come On}

Some Way I gotta make it up out the hood Some Day.{Beanie Sigel}

Too old Nell, Sigel street I ain't forget chu,

20 Ni**as on the block tryin' chase that buck...

nusey neighbors & the haters keep their face on stuck,

cops roll up on the pavement breaks the dice games up,

behind smoke kids can't chase the ice cream truck,

girls fightin' over Rollie young hype things up,

Ni**as fightin' over Colder young boys light things up.

All the petty a** wars f**k the night scene up,

remember Lil' Eddie Draw man I ain't like mean up,

then they wonder why we like green up,

back to back steam up

tryin' to relax but I can't lean up
in the L or the repha that steamer that steam up is my head,
stress to the point I get a fever...
think about the block
and all the mothers & their kids that can't
leave and how the chinks gotta feed 'em...
for the rest of their life f**kin'
wings, fried vegetable rice...
{gotta be kiddin'} no breakfast Cap'n Crunch at night.
Our kids eatin' lunch at night
in their beds all bunched an tight...
No less then 3 or 4...
know how go 2 by the foot 2 by the headboard
man I'm gettin scared ya'll I feel for them
{yeah i know} gotta grip the shorties on the block
all they do is smoke weed & drink 40's...
cop their lower quarties
nough to get the latest ROC, newest glock, & old jordies.

[Hook-Beanie Sigel]

"Some How Some Way" we goin' make it up out the sewa one day.
"Some How Some Way" we goin' make it up out this life {yeah} &
"Some How Some Way" we goin' make it up out the hood one day...
Some Way we goin' make it up out this life.[Scarface]
Right cher's another lil' story bout' this clique I claimed
another chapter based on how I get that game,
hangin' round my neighborhood & bang my street
sittin' watch the passers-by play my sweep
South Side, Sunny Side, block's I run,
South Vegas, South Paul ni**as all got guns
over here we got this cold salad get that there
we know tomorrow ain't a promise so get that there
f**k sittin' in the livin' room guardin' the steps
workin' inside a slump house starvin' to death
servin' these ni**as flippers
quarter ounces in zippers
agents snappin' you're picture
neighbors plottin' to get ya,
situation is critic
I was out here to get it
livin' it like a savage
cause ni**a I gotta have it
holdin' back on the mothers for a minute, pumpin' hard dog,
erace enough to walk it down & f**k it all dog,
love bein' willied and you're creek gonna rise,
Im'ma be a ni**a and these streets gonna rise
("Some How, Some Way"),("Some How, Some Way")
Im'ma be a ni**a and these streets gonna rise.
Out "Some How, Some Way"[Hook-Jay-Z]
"Some How Some Way" we gotta make it up out the hood Some Day.

"Some How Some Way" we gotta make it up out this life. {Come On}
"Some How Some Way" we gotta make it up out the hood Some Day.
Some Way we gotta make it up out this life.[Jay-Z]
(Whistlin') We Ride... Come On Now (Whistlin')[Voice]
