

# Edge of Desire

John Mayer

Young and full of running  
tell me where is that taking me?  
just a great figure eight  
or a tiny infinity?love is really nothing  
but a dream that keeps waking me  
for all of my trying  
we still end up dying  
how can it be?don't say a word  
just come over and lie here with me  
'cause I'm just about to set fire to everything I seeI want you so bad I'll go back on the things I  
believe  
there I just said it  
I'm scared you'll forget about me  
so young and full of running  
all the way to the edge of desire  
steady my breathing  
silently screaming  
I have to have you nowwired and I'm tired  
think I'll sleep in my clothes on the floor  
Or maybe this mattress will spin on its axis  
and find me on yoursdon't say a word  
just come over and lie here with me  
cause I'm just about to set fire to everything I seeI want you so bad I'll go back on the things I  
believe  
there I just said it  
I'm scared you'll forget about me  
don't say a word  
just come over and lie here with me  
cause I'm just about to set fire to everything I seeI want you so bad I'll go back on the things I  
believe  
there I just said it  
I'm scared you'll forget about me
