Chromeo

Something to say,
when you're so far away
and everything flies right by
like a dream You're stuck in your tracks.

There's no turning back.
I wish I could hold you close
inside of me.[Chorus x2]

Girl if it's alright,
A hundred percent.

It's intellectual,
I wanna let you know,
I won't let you go
until you say "please".
How could you forget
the way that we met?

The street corner lights on fire
like a dream. And since you been gone,
it's been "to each his own".

We'll never be side by side
so it seems.[Chorus x4] A hundred percent Bonus song at end of track

You and I,
baby we go side by side.
Me and you,
tell me what we're gonna do

[x3]
