## Chromeo

Something to say,  
when you're so far away  
and everything flies right by  
like a dream You're stuck in your tracks.

There's no turning back.  
I wish I could hold you close  
inside of me.[Chorus x2]

Girl if it's alright,  
A hundred percent.

It's intellectual,  
I wanna let you know,  
I won't let you go  
until you say "please".  
How could you forget  
the way that we met?

The street corner lights on fire  
like a dream. And since you been gone,  
it's been "to each his own".

We'll never be side by side  
so it seems.[Chorus x4]A hundred percent Bonus song at end of track

You and I,  
baby we go side by side.  
Me and you,  
tell me what we're gonna do

[x3]
