Something to say, when you're so far away and everything flies right by like a dreamYou're stuck in your tracks. There's no turning back. I wish I could hold you close inside of me.[Chorus x2] Girl if it's alright, A hundred percent. It's intellectual, I wanna let you know, I won't let you go until you say "please". How could you forget the way that we met? The street corner lights on fire like a dream. And since you been gone, it's been "to each his own". We'll never be side by side so it seems.[Chorus x4]A hundred percentBonus song at end of track You and I, baby we go side by side. Me and you, tell me what we're gonna do [x3] Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
