

# Just a Dream

Nelly

I was thinking 'bout her, thinking 'bout me  
Thinking 'bout us, what we gonna be?  
Open my eyes, yeah, it was only just a dream  
So I travelled back, down that road  
Will she come back? No one knows  
I realize, yeah, it was only just a dream I was at the top and now it's like I'm in the basement  
Number one spot and now she find her a replacement  
I swear now I can't take it, knowing somebody's got my baby  
And now you ain't around baby I can't think  
I should've put it down, should've got the ring  
'Cause I can still feel it in the air  
See her pretty face, run my fingers through her hair  
My lover, my life, my shawty, my wife  
She left me, I'm tied  
'Cause I knew that it just ain't right  
I was thinking 'bout her, thinking 'bout me  
Thinking 'bout us, what we gonna be?  
Open my eyes, yeah, it was only just a dream  
So I travelled back, down that road  
Will she come back? No one knows  
I realize, yeah, it was only just a dream When I be ridin', man, I swear I see her face at every turn  
Tryna get my Usher over I can't let it burn  
And I just hope she know that she the only one I yearn for  
More and more I miss her, when will I learn?  
Didn't give her all my love, I guess now I got my payback  
Now I'm in the club thinking all about my baby  
Hey, she was so easy to love  
But wait, I guess that love wasn't enough  
I'm going through it every time that I'm alone  
And now I'm missing, wishing she'd pick up the phone  
But she made the decision that she wanted to move on  
'Cause I was wrong  
And I was thinking 'bout her, thinking 'bout me  
Thinking 'bout us, what we gonna be?  
Open my eyes, yeah, it was only just a dream  
So I travelled back, down that road  
Will she come back? No one knows  
I realize, yeah, it was only just a dream If you ever loved somebody put your hands up  
If you ever loved somebody put your hands up  
And now they're gone and you're wishing you could give them everything  
Said if you ever loved somebody put your hands up  
If you ever loved somebody put your hands up

Now they're gone and you're wishing you could give them everything I was thinking 'bout her,  
thinking 'bout me

Thinking 'bout us, what we gonna be?  
Open my eyes, yeah, it was only just a dream  
So I travelled back, down that road  
Will she come back? No one knows  
I realize, yeah, it was only just a dream  
I was thinking 'bout her, thinking 'bout me  
Thinking 'bout us, what we gonna be?  
Open my eyes, yeah, it was only just a dream  
So I travelled back, down that road  
Will she come back? No one knows  
I realize, yeah, it was only just a dream
