

# Sunday Shining

## Finley Quaye

Make it Sun is shining, the weather is sweet, yeah  
It makes you wanna move those dancing feet  
For the rescue, uh, here I am  
I want you to know y'all, here I stand As the morning gathers a rainbow  
I want you to know now, that I'm a rainbow with you 'Cause I'm a hero like Robert de Niro  
I know an Ital Rasta man  
I Got to keep I height  
Protection until' time, the sun is shining, yeah War is explosive  
You got to demonstrate  
Demonstrate, you got to demonstrate  
Don't fight  
'Cause the sun is shining, for you  
There's nothing else to do Sun is shining, the weather is sweet, yeah  
It makes you wanna move those dancing feet  
To the rescue, uh, here I am  
I want you to know y'all, here I stand As the morning gathers a rainbow  
I want you to know now, that I'm a rainbow with you Whoa, whoa, whoa yeah  
Test the eye, test the eye  
Fear no evil  
Channel like a lion, channel like a lion Some say, yeah  
Money in my  
One-on-one  
Money in my pocket  
But I just can't get your love  
Some say, yeah  
And the sun is shinin', don't fight  
And you got soul, and you're choppin' it up aero  
For you, there's nothin' else to do Sun is shining, the weather is sweet, yeah  
It makes you wanna move those dancing feet  
To the rescue, uh, here I am  
I want you to know now, here I stand As the morning gathers a rainbow  
I want you to know now, that I'm a rainbow with you As the morning gathers a rainbow, I'm  
rougher than rough  
'Cause I'm a rainbow with you Tougher than tough  
Channel like a lion, yeah  
This is some fashion, yeah  
Spiritual fashion, yeah Whoa, whoa, whoa, yeah  
Whoa, whoa, whoa, yeah
