

# Girl

## The Time

Girl, I called you up to say,  
that I'm havin' trouble sleepin' ever since you went away.  
Girl, I know you need a little time,  
to get your head together. But baby, I can't stop cryin'. Girl, why'd you go away?  
What can I say to make you stay?  
Girl, I was a fool.  
I don't know what to do.  
I'm still in love with you.  
I'm still in love with you, baby. Girl, I guess I was a fool,  
to try to tie you down and make you play by the rules.  
Girl, I guess I finally realized,  
that keepin' you close to me, it would keep me alive. Girl, why'd you go away?  
What can I say to make you stay?  
Girl, I was a fool.  
I don't know what to do.  
I'm still in love with you. Don't know what I'm gonna do. Girl, what can I say baby, to make you  
stay?  
Girl, I don't know what to do. No I don't.  
I'm still in love, still in love, still in love.  
Girl, down on my knees. Oh baby, please.  
Girl, oh baby, please. I'm still in love with you. I'm still in love with you. Called you up to say,  
Baby, I still love you.  
I'm still in love, I'm still in love.
