

# My Forbidden Lover (Dimitri from Paris Remix)

## Chic

My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other I fell in love and I didn't want to do it cause I knew  
That your love wasn't true  
You try to hide that sinister appearance and the lies  
Whew, those alibis You give your love to anyone who asks, yes you do  
And I know that it's true  
But still I care and I want to see you there  
When I need, yes indeed, you are My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
I can't resist that very strong urge just to have you, dear  
Oh, please come here  
Just let me love you, anytime and any place we dare  
We'll just let them stare You want to love everybody and everything you can  
You're the typical man  
Yet still and all, I'm at your beck and call  
When you need, yes indeed, you are My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other My love is forbidden, we keep our love hidden  
My love is forbidden, we keep our love hidden  
My love is forbidden, we keep our love hidden  
My love is forbidden, we keep our love hidden  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other My forbidden lover, I don't want no other  
My forbidden lover, I don't want no other  
My forbidden lover
