

Summer Love

One Direction

Yeah... ohh... Can't believe you're packing your bags
Trying so hard not to cry
Had the best time and now it's the worst time
But we have to say goodbye Don't promise that you're gonna write
Don't promise that you'll call
Just promise that you won't forget we had it all 'Cause you were mine, for the summer
Now we know it's nearly over
Feels like snow in September
But I always will remember You were my summer love
You always will be my summer love
Wish that we could be alone now
We could find some place to hide
Make the last time, just like the first time
Push your button and rewind Don't say the word that's on your lips
Don't look at me that way
Just promise you'll remember when the sky is grey 'Cause you were mine, for the summer
Now we know it's nearly over
Feels like snow in September
But I always will remember You were my summer love
You always will be my summer love So please don't make this any harder
We can't take this any farther
And I know there's nothing that I want to change, to change
'Cause you were mine, for the summer
Now we know it's nearly over
Feels like snow in September
But I always will remember You were my summer love (summer love)
You always will be my summer love (summer love)
You always will be my summer love (yeah)
You always will be my summer love
