

# Sweetest Life

## KWAYE

Elevate the ties, babe  
There's no way, there's no way I could fall  
When I'm in this state of mind, babe  
There's no name but your name I would call  
And if you feel like I do  
Then there's no way, there's no way this is wrong  
You're the sweetest thing about me  
There's no shame in that at all  
Feel that feeling when I'm giving all this love to you  
No mistaking it's the real thing, obviously, this is true  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
I'll take you to my island  
Let's get away, get away from it all  
And if you're feeling undecided  
Just take my hand and put it in yours  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
I'm over questions now, baby  
You know exactly who I am  
(Let's elevate this time and stay in this state of mind)  
Let it all go  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me

And the sweetest life, the living is alright  
And the loving is easy when you're with me  
And the sweetest life, the living is alright  
And the loving is easy when you're with me  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest  
Ah, sweetest, sweetest
