

Lonely Ol' Night

[John Mellencamp](#)

She calls me up and says baby it's a lonely ol' night
I don't know I'm just so scared and lonely all at the same time
Nobody told us it was gonna work out this way
No, no, no, no, no
I guess they knew we'd work it out in our own way It's a lonely ol' night
Can I put my arms around you
It's a lonely ol' night
Custom made for two lonely people like me and you
Radio playing softly some singer's sad sad song
He's singing about standing in the shadows of love
I guess he feels awfully alone
She says I know exactly what he means
Yeah, yeah, yeah, yeah, yeah
And it's a sad, sad, sad, sad feeling
When you're living on those in-betweens
But it's okay It's a lonely ol' night
Can I put my arms around you
It's a lonely ol' night
Custom made for two lonely people like me and you She calls me Baby
She calls everybody Baby
It's a lonely ol' night but ain't they all
It's a lonely ol' night
Can I put my arms around you
It's a lonely ol' night
Custom made for two lonely people like me and you It's a lonely ol' night
Can I put my arms around you
It's a lonely ol' night
Custom made for two lonely people like me and you
Yeah, like me and you
Yeah, like me and you
