

Happy

Mazzy Star

Field of light
They hold me inside
Count my stars
They're all lucky in the sky There's a time
When you go off the light
And all my things look like someone else's memories Cold outside
Burns a great big hole in my heart
I just wait till you're happy
And your smile makes it bright
It makes it bright
Sleep inside
Ocean has miles
It shimmers and it glows
For some people
I know it shines
I know it shines
Stay inside
Don't the colors make you blind
They hold me inside
Count my stars
Let them shine
I know they shine
