

Parasite

Kiss

She'll always be there trying to grab a hold
She thought she knew me, but she didn't know
That I was sad and wanted her to go Parasite lady
Parasite eyes
Parasite lady
No need to cry I didn't wanna have to get away
I told her things I didn't want to say
I need her and I hope she'll understand, yeah Parasite lady
Parasite eyes
Parasite lady
No need to cry
Parasite lady
Parasite eyes
Parasite lady
No need to cry
