

# Don't Stop Me Now

## Queen & Adam Lambert

Tonight I'm gonna have myself a real good time  
I feel alive  
And the world I'll turn it inside out  
And floating around in ecstasy So don't stop me now, don't stop me  
'Cause I'm having a good time, having a good time I'm a shooting star leaping through the sky  
like a tiger  
Defying the laws of gravity  
I'm a racing car passing by like Lady Godiva  
I'm gonna go go go There's no stopping me  
I'm burnin' through the sky two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm traveling at the speed of light  
I wanna make a supersonic man out of you  
Don't stop me now  
I'm having such a good time, I'm having a ball  
Don't stop me now  
If you wanna have a good time just give me a call  
Don't stop me now  
'Cause I'm having a good time  
Don't stop me now  
Yes I'm havin' a good time  
I don't want to stop at all I'm a rocket ship on my way to Mars  
On a collision course  
I am a satellite, I'm out of control  
I am a sex machine ready to reload  
Like an atom bomb about to explode I'm burnin' through the sky two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm traveling at the speed of light  
I wanna make a supersonic woman of you  
Don't stop me, don't stop me  
Don't stop me hey hey hey  
Don't stop me, don't stop me  
I like it  
Don't stop me don't stop me  
Have a good time, good time  
Don't stop me don't stop me  
Alright I'm burnin' through the sky two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm traveling at the speed of light  
I wanna make a supersonic man out of you Don't stop me now  
I'm having such a good time, I'm having a ball  
Don't stop me now

If you wanna have a good time just give me a call  
Don't stop me now  
'Cause I'm having a good time  
Don't stop me now  
Yes I'm havin' a good time  
I don't want to stop at all
